SPECIAL GROUP RATE and ACTIVITIES for YOUR STUDENTS

The Carter County Corn Maze is a great fun-filled educational field trip. For seven weeks in the fall, the fairgrounds will be home to a 8-acre corn maze, pumpkin patch, hay bale climb, hayrides and more. Energize your classroom agenda with math skills, problem solving and team building in an atmosphere of fun. Teachers: you will need to schedule at least 3 hours at the maze so students have ample time to complete the activities. Our classroom package includes admission to the Maze, educational content (we provide the handouts and instruction), one hayride plus a hot dog, chips and drink. Everyone who participates in the maze will receive a souvenir to keep as a memento of the day. All of this is offered for the special group rate of \$7.50 per person. You must have at least 12 persons to qualify for this rate. Teachers should provide one chaperone to every ten students. There is a charge for each student, chaperone or sibling in the group.

Make plans early for your class by scheduling at least two weeks in advance of your arrival date. Payment must be received prior to arrival. Fridays are preferred, but other weekdays are available by request. Call 606-474-7263 for scheduling information.

Only \$7.50 per person! Lunch included!
